## TRUMP INTERNATIONAL HOTEL & TOWER® NEW YORK ANNOUNCES JEAN GEORGES CULINARY MASTER COURSE

*Three-Night Experience Includes Private Demonstration  
With Chef Vongerichten, Three-Course Champagne Dinner, More*

NEW YORK – [Trump International Hotel & Tower® New York](#), the only Five Star hotel with a Five Star restaurant in New York, today announced a master class with one of the world’s most famous chefs, **Jean-Georges Vongerichten**, whose culinary vision and execution have defined both professional standards for the industry and the way in which Americans eat.

Designed for a minimum of two persons and a maximum of four, the **Jean Georges Culinary Master Course** includes a private, two-hour cooking demonstration by Vongerichten in the kitchen of his namesake restaurant. Guests may choose to learn the magic behind the cuisine of his New York establishments Jean Georges (French), Matsugen (Japanese), JoJo (Mediterranean), Vong (Japanese), Spice Market (Asian) or Perry Street (New American).

“Our hotel guests have been head-over-heels with Jean Georges – the restaurant and the man – since we opened a decade ago,” explained Suzie Mills, the hotel’s general manager. “We have created this experience in response to the consistent requests for a more intimate experience with Chef Vongerichten, and are very proud to offer this rare opportunity to our guests.”

The experience also includes accommodations in an Executive Park View Suite (Thursday, Friday and Saturday nights; maximum two persons per suite), breakfast for two daily at Nougatine, and a three-course dinner for two at Jean Georges with a bottle of Champagne. Further, guests will receive a signed copy of Vongerichten’s new book, *Asian Flavors of Jean-Georges*, featuring beloved recipes from Spice Market, Vong and 66. The Jean Georges Master Culinary Course is priced at \$8,999.

The Jean Georges Culinary Master Course is based on a minimum three-night consecutive stay with arrival on Thursday. A minimum of 30 days’ notice is required to book. Reservations are based on availability.

Located at One Central Park West, Jean Georges opened in 1997 in the Trump International Hotel & Tower New York. Under the direction of Vongerichten, it is been designated Five Stars by Mobile Travel Guide, Five Diamonds by AAA, and Three Stars by Michelin Guide. Additionally, it has earned two four-star ratings from *The New York Times*.
