## **SUZANNAH JAYNE MILLS APPOINTED GENERAL MANAGER OF TRUMP INTERNATIONAL HOTEL & TOWER® NEW YORK**

NEW YORK – October 1, 2007 – Suzannah Jayne “Suzie” Mills has been promoted to general manager of Trump International Hotel & Tower New York at One Central Park West. She has served on the management team of the award-winning luxury hotel – a 52-story, Philip Johnson-designed tower with 167 hotel accommodations and 158 condominiums – since its pre-opening in 1996.

“Mills has played a vital role in the success of Trump International Hotel & Tower New York from the very beginning,” said James K. Petrus, chief operating officer of Trump International Hotels Management LLC. “We are pleased to have her at the helm and are confident that the acumen and drive that contributed to her steady rise will serve her – and the hotel – extremely well as general manager.”

Most recently, Mills served as the property’s assistant general manager, directing the day-to-day operation of the hotel and tower, and supervising a \$7 million hotel renovation in 2004 and a spa renovation in 2006. For two years prior, she was rooms division manager. Mills joined the Trump team as front office manager in October 1996, before the hotel’s high-profile debut in January 1997.

Mills was previously assistant manager of the Mayfair Hotel. She joined the hotel as a management trainee in 1994 upon arriving in New York from London.

Mills launched her career at The Savoy Hotel in 1989, where she rose from junior cashier to banqueting sales executive during her five-year tenure at the historic London hotel. She has been immersed in the hospitality industry since childhood, working at her parents’ hotel in Wales from the age of 10.

Trump International Hotel & Tower is located in Manhattan at the juncture of Columbus Circle, Central Park West, Central Park South and Broadway, providing easy access to Midtown businesses, the Broadway Theater District, and the recreation in Central Park.
